TO GROWERS

FEA PLANTATIONS - URGENT ACTION REQUIRED – EMAIL ADDRESS

As previously advised, the board of FEA Plantations Limited (Administrators appointed) (Receivers appointed) ("FEA Plantations") appointed Peter Krejci and me Administrators on 14 April 2010. FEA Plantations is the Responsible Entity and investment manager of forestry projects in the FEA group.

As a result of our appointment, we are responsible for the day-to-day management of FEA Plantations and have been conducting a rigorous review of the financial position of the company and the future viability of each individual managed forestry project.

Over the next fortnight we will be communicating our findings and respective proposals to each grower, and would like to do so as efficiently as possible. We prefer email communications because it is both faster and cheaper.

Can you please provide us with your email address within the next 5 business days, that is by 17 June 2010, by returning the attached completed form, **or emailing the following details to us at fea@briferriernsw.com.au**:

- ▲ Growers Name
- ▲ Contact Name
- ▲ Grower Member Number (if available)
- ▲ Phone Number
- ▲ Email Address

I thank you for your cooperation with this matter in advance and look forward to providing you with vital information with respect to the future of your forestry investment.

Yours faithfully

Brian Silvia
Administrator

GROWER INVESTOR CONTACT INFORMATION

Please complete and return this form by 17 June 2010 by one of the following methods:

 Post BRI Ferrier (NSW) Pty Ltd
GPO Box 7079
